

# Brownfields Grant Workshop:

## *How to Write a Better Proposal*

The U.S. Environmental Protection Agency (EPA) Region 6 Brownfields Team is holding a workshop on Friday September 15, 2006 at Courtyard Marriott in Farmington New Mexico to assist local, state, and tribal government entities and nonprofits to better understanding the grant criteria and selection process for EPA's National Brownfields Assessment, Revolving Loan Fund, and the new CARE initiative. Also we will present the details of the R66 initiative for abandoned gas stations. Specifically, the workshop will include the following agenda topics:

- Threshold Criteria
- Ranking Criteria
- Tips to Site Selection and Evaluating the Viability of Brownfields Projects

<http://www.epa.gov/care>

## Who Should Attend?

Entities from local, state, and tribal governments and nonprofits interested in applying for Brownfields Assessment, CARE initiative, Revolving Loan Fund, and Cleanup Grants are encouraged to attend. The event is being sponsored by EPA and Northwest New Mexico Council of Governments; free of charge to all participants. Attendees will be responsible for their own travel expenses. Those interested in attending are encouraged to register as soon as possible, as workshop space is limited.

## Workshop Date and Location

The one-day workshop will be held in Farmington, New Mexico on September 15, 2006. The workshop will be held from 8:00 AM to 4:00 PM.

## How to Register
